

# METRONIC

## CONTON 05 CI

Metal detector for installation in  
belt conveyors

- **Reliable** - in Process and Detection
- **Durable** - in Technology and Performance
- **Conforming** - in Design and Data management

## In a few words:

- Digital signal processing for best detection
- Reliable and safe metal detection technology
- Process- and condition monitoring
  
- Failsafe storage of all system parameters
- Robust construction for maximum lifetime
- Highest precision in long-term operation
  
- Network connectivity and data management
- Password protected user management
- Hygienic Design
