

# QUICKTRON 03 E

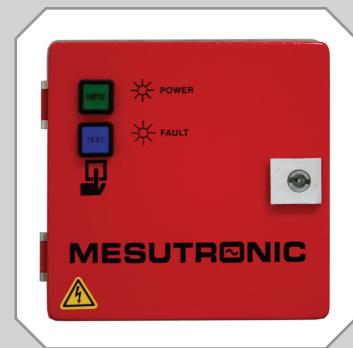

Metal separator for installation in  
free-fall lines

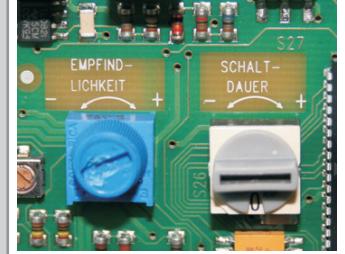

- **Reliable** - in Process and Detection
- **Durable** - in Technology and Performance
- **Easy** - in Installation and Handling

## In a few words:

- Digital signal processing for best detection
- Proven for years in rough environments
- Process- and condition monitoring

- High quality, low-wear system components
- Robust construction for maximum lifetime
- Maintenance friendly construction

- Perfect fit for foil strip inspection
- Size variations for different areas of use
- Dual-flap system prevents material blockage
