

METRON 05 C

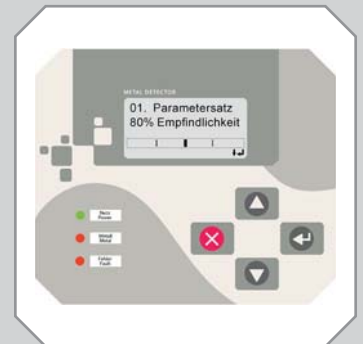

Metal detector for installation in belt conveyors, slides or free-fall chutes

- **Reliable** - in Process and Detection
- **Durable** - in Technology and Performance
- **Flexible** - in Size and Application

In a few words:

- Digital signal processing for best detection
- Proven for years in rough environments
- Process- and condition monitoring
- Failsafe storage of all system parameters
- Robust construction for maximum lifetime
- Maintenance free, long-term operation
- Size variations for different areas of use
- Versions for out-door, high-temp., etc.
- Installation horizontal or vertical
